

# Join the celebration!

The BDCH Robotic Surgeons and Surgery team are celebrating over a year of successful operations using our da Vinci Xi Surgical system. Our staff will be on hand to answer your questions about robotic procedures, and to talk about the introduction of virtually scarless, single-site operations.

**Come to the hospital's main entrance and join our celebration.**

**November 29, 4 to 7 p.m. • Meet our Robotic Surgeons and Surgical team  
Light refreshments • Presentation at 6 p.m.**
