

FREE BDCH Insulin Pump Support Group

Monday, November 13 ~ 6-7 p.m.
BDCH Conference Center

Beaver Dam Community Hospital (BDCH) has developed a **FREE** one time Insulin Pump Support Group. The group is led by **Laurie Kiesow, RN, CDE** and will focus on:

- Supporting patients who use technology to manage their diabetes
- Targeting people with diabetes 18 years of age and older who are currently wearing an insulin pump and/or sensor and their support person(s)
- Individuals who desire to learn more about these options for managing diabetes

For more information, please call 920-887-6631
